“To go forward together in Christ, respecting our neighbour and striving for excellence”

CHRISTMAS POST

The school's Christmas post box is ready. Children may bring cards to school and post them in the post box between the School Office and the Head's Office. These will be distributed out to classes by the year 6 children. Please make sure the recipient's name is clearly marked on the envelope together with their Class number.

CHRISTMAS LUNCH

The children will be having Christmas Lunch on Thursday 15th December – free for infants and £2.40 for juniors. If your child wishes to have a lunch and is not already on school meals, please pay on parent mail. This will be non-uniform day and the children may come to school in a Christmas jumper if they wish.

ADVENT ASSEMBLY

We had our Advent assembly led by Father Gerard and Monica on Monday this week due to it needing to be scheduled earlier than planned so it will no longer be held on Wednesday 7th Dec. It was a lovely assembly and a great way to start the season of Advent. It is always so important that we remember this season as a time for getting ready for Christmas spiritually.

ADVENT SOUP KITCHEN

This event will take place on all four Fridays during Advent, i.e. 25th Nov through to 16th December. Soup will be served in the cafe area at Christ Church, after the weekly 12.00 noon Friday Mass. Our GIFT Team children will take turns in attending and representing our school.

COLLECTIVE WORSHIP

In the coming weeks, we will be learning about Advent.

NUT FREE SCHOOL

A gentle reminder that we are a nut free school as we have a number of children with serious nut allergies. Children who suffer from nut allergies can develop a severe, potentially life-threatening allergic reaction. If someone has a nut allergy it is not just eating nuts that can cause a severe reaction, just being touched on the skin or smelling the breath of someone who has had nuts or a product containing nuts can trigger anaphylactic shock (which can cause breathing and

swallowing difficulties).

First aid staff in the school are trained to use the Epi-pens (an injection of adrenalin) which is required immediately if this happens.

With this in mind, could we politely ask that no products containing nuts are sent into school.

Thank you for your consideration and for helping to safeguard our children.
