SCIENCE WEEK

This week we had a science week where the staff came dressed to school as scientist and also looked at real life scientist. We encouraged the children to think about how the sciences, technology, engineering and maths relate to our everyday lives – whilst having fun.

This was an opportunity to focus on making science creative and to raise its profile, by exploring ideas and investigating scientific concepts.

WORLD AUTISM ACCEPTANCE DAY

On Friday 31st March we will be having a World Autism Acceptance day to raise awareness, understanding and support children and families. This is our chosen charity. The theme this year is 'colour' so we ask the children to come to school in non-uniform wearing bright

colours. Donations of a minimum of £1 would be much appreciated. This can be paid on parent mail.

BIKEABILITY YEAR 4

Year 4 children took part in bikeability on Wednesday and Thursday this week. They learnt how to cycle safely and competently in a fun, engaging environment.

APPOINTMENTS

We have a growing increase with children leaving school early on a Thursday and a Friday for appointments. As a school, we require evidence of this to support our registers. We understand that sometimes this is unavoidable, however please will all parents try and make dentist and doctor's appointments outside of school hours.

FILM NIGHT

Thank you to the PTFA for organising our Film Nights, the children and staff thoroughly enjoyed themselves!

SUE ALLONBY

Today we had a story teller, Sue Allonby in school. Sue Allonby told mysterious myths and traditional tales to all our

children. The purpose was to stretch the pupils' imaginations and help them to understand the story telling process.

EASTER EGG & EASTER BONNET

We would like to invite the children to take part in our cracking annual competition: decorate/make an Easter bonnet or/and an egg for a special Easter competition. The children are welcome to do one or even both! The decorations should come into school on the morning of Wednesday 29th March for judging. We will be sharing the eggceptional creations and winners in Collective Worship together.
