"To go forward together in Christ, respecting our neighbour and striving for excellence"

12th January 2024

Dear Parents,

Welcome Back! We hope you all had a fabulously festive break. It was lovely to greet the children again and we are all hoping for another happy, healthy and successful year, where we continue to thrive! We will have more dates to share as the term progresses – from events with classes, as a whole school and sporting fixtures.

January is traditionally the month of new beginnings and a time for making a new start. The children are all being encouraged to follow our school's mission statement. "To go forward together in Christ, respecting our neighbour and striving for excellence."
