2<sup>nd</sup> February 2024

Ash Wednesday will soon be with us, on the 14<sup>th</sup> February, launching us into the season of Lent. During Lent we are called to Fast, Pray & Give as part of our spiritual growth. This is a time of preparation and reflection for Easter.

### LEGALLY BLONDE – THE MUSICAL

Year 5 went to Fisher More High School on Wednesday to watch Legally Blonde. The production was performed by pupils from all year groups at Fisher More and was created by our Drama teacher Mrs Lomas.

### CHILDREN'S MENTAL HEALTH WEEK.

Next week from 5-11 February, it is Children's Mental Health Week. The theme this year is 'My Voice Matters'.

My Voice Matters is about empowering children and young people by providing them with the tools they need to express themselves.

When we feel empowered, there's a positive impact on our wellbeing. Children who feel that their voices are heard and can make a difference have a greater sense of community and self-esteem.

During Children's Mental Health Week, we want all children and young people to be able to say – and believe – "My Voice Matters."

### SAFER INTERNET DAY

Next week on Tuesday 6<sup>th</sup> February it is Safer Internet Day. This is a global campaign to promote the safe and responsible use of technology.

This year the campaign will be focusing on change online, this includes:

- Young people's perspective on new and emerging technology

**Respect Responsibility Resilience Trust Kindness Friendship Forgiveness**

- Using the internet to make change for the better

- The changes young people want to see online

- The things that can influence and change the way young people think, feel and act online and offline

Using the internet safely and positively is a key message that we promote in school, and celebrating Safer Internet Day is a great opportunity for us to re-emphasise the online safety messages we deliver throughout the year.

We would be delighted for you to join us in celebrating the day by continuing the conversation at home. To help you with this, the UK Safer Internet Centre have created some free activities and information for parents and carers which are available at:
