"To go forward together in Christ, respecting our neighbour and striving for excellence"

26th April 2024

ATTENDANCE

Whole school – 95%

Class of the week – Class 4

HOLY COMMUNION

We have three of our wonderful children making their Holy Communion this Sunday at Christ Church at 9:30am. Please remember them in your prayers.

YEAR 6 SATS

During May the Year 6 children will take the KS2 SATs. (Statutory Assessment Tests) for a whole week starting Monday 13th May.

Date	Test
Monday 13th May 2024	English Grammar, Punctuation and Spelling (papers 1 and 2)
Tuesday 14th May 2024	English Reading
Wednesday 15th May 2024	Mathematics (papers 1 and 2)
Thursday 16th May 2024	Mathematics (paper 3)

Spring Disco - Friday 26th April.

It is the school disco tonight in the school hall. Children will be handed over to their parents at the end of their disco via the cloakroom door onto the yard.

Infants 3:30 – 4:30pm

Juniors 4:30 – 6:00pm

RAIL SAFETY VIDEO

I have been asked to send this link which is a railway safety video due to increasing incidents of trespassing on the railway near schools. It is aimed at junior children.

CROSS COUNTRY RUNNING

Four children in year 5 and 6 represented Holy Trinity at a cross country event at Holt House on Tuesday. They did remarkably well racing with over 150 children. Three children qualified for the final in June gaining places in the top 20.

NETBALL

Well done to the two High 5 Netball teams who played in the seeding tournament on Wednesday evening. They played really well.

SCIENCE DAY

Today we had 'Adrian Bowden's Travelling Science Show' in school. Adrian is a primary science specialist and an educational consultant for the BBC. He is an author and has been awarded the Millenium Fellowship for his science work in schools.

We had an exciting and wonderful day learning lots about Science and seeing just how incredible Science can be. KS1 loved learning all about Materials. They learnt more about the properties of materials and how they are examined and tested in unusual ways. They also learnt how material changes and how mixing and heating them can have unexpected effects!

Children in KS2 learnt everything about electricity. From static to power stations, with a particular focus on cells, bulbs, wires, circuits, conductors and insulators. They also looked at the most shocking moments of electrical history! The children had so much fun and learnt so much more about Science! What a wonderful experience we had!

NURSERY SCHOOL ADMISSION 2024

If your child is eligible to start nursery, you can now apply for a place at pre-school. Nursery provision is offered to all children starting the term after their 3rd birthday. If you would like to apply, please contact the office for the relevant forms. The deadline is 18th

May. Offers will be sent out on week commencing 20th May.
