**"To go forward together in Christ, respecting our neighbour and striving for excellence"**

31<sup>st</sup> January 2025

Dear Parents,

### **CHILDREN'S MENTAL HEALTH WEEK 2025**

This year we're exploring the theme Know Yourself, Grow Yourself, with the aim to encourage children to embrace self-awareness and explore what it means to them. We want children and young people to discover how getting to know who they are can help them build resilience, grow and develop. The children will be having lessons based on this theme.

### **YOUNG VOICES 2025**

Children from years 4 – 6 will be performing in their BIGGEST Concert next Friday - We are getting ready to be SUPER PROUD! They will be part of a

choir with up to 9,000 other children at the COOP LIVE Arena in Manchester. During the afternoon the children will rehearse together with lots of other schools, followed by an incredible concert performance produced by the UK's leading sound and light companies, featuring special guest artists who are sure to raise the roof! This experience will not only inspire and motivate the children through the power of music and singing but also provide them with a unique learning opportunity. Singing on such a grand scale fosters a tremendous sense of personal achievement, enhances mental health, and offers a life-changing musical experience.

## NATIONAL NUMBER DAY

On Friday 7th February, it is the NSPCC National Number Day! We are going to be taking part, helping to raise the profile of maths within HT while raising money to support vital services like Speak out Stay safe and Childline.

It'll be great fun for the children. Children and staff will be asked to wear an item of clothing with a number on it and make a donation (link below). This could be a favourite sports top or cap, or even a onesie. Or why not get more creative and design a unique t-shirt, hat or even become a human-sized calculator or dice! The children who are taking part in Young Voices will not be able to dress up due to the concert.
