"To go forward together in Christ, respecting our neighbour and striving for excellence"

28th February 2025

Dear Parents,

During Lent we are called to Fast, Pray and Give as part of our spiritual growth. This is a time of preparation and reflection for Easter. Lent begins next week on Ash Wednesday and we will be having a special liturgy with children where we will distribute the Ashes.

TWITTER

Follow us on Twitter now known as X to keep up to date with the latest happenings in and around the school. You really are missing out if you don't join. It gives you the opportunity to see all the fantastic happenings in school. @Holytrinityrc

WORLD BOOK DAY

On Thursday 6th March it is World Book Day. We are asking children to come to school dressed up as one of their favourite characters or a word such as camouflage on **Thursday 6th March.**

ATTENDANCE

Whole school – 97%

Class of the week – Class 3 and 4

STEM FORMULA 1

Four year 6 children who have been taking part in the after school STEM Formula 1 club went to Bolton University yesterday. They raced their own F1 car as part of an exciting project to find the engineers of the future. The competition is aimed at encouraging and developing youngsters to learn engineering. Twenty teams from the North West went to the tournament. The children designed and built their model themselves during the after school club. Yesterday they used a CO2 cartridge to propel their racing car along a 20 metre track in under one and a half seconds. We were in the top three teams of the judge's favourites. However, the top two qualified for the grand final in Rotherham. We had a fantastic day and the children were given the opportunity to drive a Formula 1 car in a simulator.

PTFA MEETING

On Thursday we held a PTFA meeting to plan Easter activities. Together we came up with some exciting plans for your children; such as an Easter egg raffle, Guess how many mini eggs in a jar, and an Easter disco. More details to follow.

Respect Responsibility Resilience Trust Kindness Friendship Forgiveness

Non Uniform Day – Bring an Easter Egg
Thursday 27th March

School Disco Thursday 3rd April – More
details to follow

Easter Raffle and Boiled Egg/ Bonnet
competition Friday 4th April

CLASS PHOTOS

Friday 28th March. We have a
photographer coming to school to take
class photos.

ASSEMBLIES

Parents are invited to our Celebration
Assembly each Friday afternoon starting
at 3.00 p.m. On these days, children are
welcome to bring in certificates,
trophies, rosettes & badges that
they've earned/achieved outside of
school. We love to hear about
children's genuine achievements
outside of school too.

Friday 28th February - No assembly

Friday 7th March - Class 4 assembly

Friday 14th March – Class 3 assembly

Friday 21st March – Class 2 assembly

Friday 28th March - Class 1 assembly

Friday 4th April – No Assembly

Assembly each Friday afternoon starting
at 3.00 p.m.

SCHOOL CLUBS

We are offering a wide range of clubs
for the children.

MONDAY: Lunchtimes: TTRS Yr 4

Chess Club Class 4

TUESDAY: Lunchtime: TTRS Yr 3

After School: Junior Girls 'Super G Club'

WEDNESDAY:

After School: Netball/Benchball Class 3

THURSDAY: After School: Parent
sessions Year 2 with Indi - Thursday 6th
March 3.30-4.15pm

*Indi is a robot for early learners that is
driven by colour. Indi inspires play-
based learning and introduces the
basics of computational thinking skills.

**Some of our 'Learning Themes' for the
Spring Term 2 are below. You can find
more details on our website under
teaching and learning.**

Class 1

Outdoor Adventure

Using the senses to explore and
describe the natural world around them
whilst outside; understanding the effects
of the changing seasons.

Class 2

**Would you prefer to live in a hot or cold
country.** Using their knowledge of hot
and cold places, children answer the
enquiry question, 'Would you prefer to
live in a hot or cold place?'

Class 3

Where does food come from?

Looking at the distribution of the world's
biomes and mapping food imports from
around the world.

Class 4

Where does energy come from?

Learning about renewable and non renewable energy sources, where they come from and their impact on society and the economy.
