### **HEALTHY SNACKS**

As a school, it is part of our responsibility to help children learn how to eat healthily. We want to ensure that what the children eat at break times in particular is categorised as a healthy snack.

Children need healthy snacks to help them grow and stay healthy. Snacking isn't bad for children, but what they snack on is important. If you give your child healthy snacks now, he or she will learn to make healthy food choices in the future.

### EASTER DUCKS

Our eggs arrived on Monday and the children have loved observing them hatch. We have four ducklings; Max, Mia, Amelia and Fluffy.

Class 1 have learnt about the life cycle of a duck, what they look and feel like, what they have on their bodies and why, what they need to stay fit and healthy and what we need to do in order to be good duckling carers! We have watched them sleep, eat, poop, wash and swim. The children have loved having them in our classroom as it has provided them with first-hand experience and has enriched their learning this week.
