“To go forward together in Christ, respecting our neighbour and striving for excellence”

23rd May 2025

Dear Parents,

I hope you all had a lovely restful half term break; I can't believe we are into the final term of this academic year! There are still lots of exciting things ahead of us during these next 8 weeks together.

NEW INTAKE

We were very excited to meet our new reception class on Monday. The EYFS team are busy conducting home visits, nursery visits and arranging stay and play taster days for our new children who will join us in September. Our staff put a great deal of effort into ensuring that the 'Welcome' part of our school mission statement is well and truly lived as we ensure that the transition for these children into our school community is as smooth as possible.

FM TASTER DAY Yr 5

Next Tuesday our year 5 will be going to visit Fisher More High school on an FM school mini bus during the school day to

experience how exciting lessons in high schools can be.

STAFFING NEWS

We are happy to share with you some important staffing changes that will be taking place in September 2025. We will be welcoming Mr. McManus who will be joining us on secondment for 12 months and will be our deputy head teacher. Mrs. Miller has been appointed as a new class teacher. We also have some exciting baby news. Miss Smith is expecting her first child and is due in October. I am sure you will all be thrilled at this amazing news. Mrs. Blackburn was appointed to cover her maternity leave. I will update you about who will be your class teacher later this term.

Class of the week – Class 3

YEAR 3/4 FOOTBALL

Our children played well in a tournament on Monday night and we are looking forward to the next games.

YEAR 1 ASSESSMENTS

Year 1 will take their phonics screening test in the week beginning 9th June.

YEAR 4 MULTIPLICATION CHECK

The purpose of the Multiplication Times Table Check in June is to determine whether Year 4 pupils can fluently recall their multiplication tables – fluency is essential for so many areas of maths and can be the key to success in maths.

The Multiplication check will take place between **Monday 9th June and Friday 13th June.**
