"To go forward together in Christ, respecting our neighbour and striving for excellence"

6th November 2026

Dear Parents,

We are delighted to share the lovely news that Miss Johnson is expecting a baby, who is due to arrive in February. We would like to congratulate Miss Johnson and her family on this very exciting news and wish them all the very best during this special time.

WAITING WISELY

In this Sunday's Gospel, we will hear the parable of the wise and foolish bridesmaids, reminding us of the importance of being ready for God. Children are encouraged to reflect on how they can put their faith into practice each day, making choices that bring them closer to Jesus and showing His love through their words and actions.

REMEMBRANCE DAY

On Wednesday, we will come together for a special assembly to remember and honour those who have lost their lives serving our country. Our Pupil leadership Team will also visit the cenotaph to lay a poppy wreath as a mark of our respect and remembrance.

Class 1 Prophecy and Promise
In Class 1, children will be exploring the story of Christmas and learning about the special role Mary played in the birth of Jesus. They will listen to and retell the stories of the Annunciation, the Nativity and the shepherds visiting baby Jesus. Children will also discover the tradition of the Christmas crib and learn about Advent as a time of preparation, thinking about how they can show kindness and welcome Jesus.

Class 2 Would you prefer to live in a hot or cold place?
In Class 2, children will be exploring hot and cold places around the world. They will learn to locate the seven continents, the Equator and the North and South Poles on a world map. Children will compare the climates, landscapes and ways of life in hot and cold places, including Kenya and the polar regions, and consider where they would prefer to live and why

Class 3 Why are rainforest important to me?
In Class 3, children will be exploring the importance of rainforests, focusing on the Amazon rainforest. They will discover where rainforests are found, investigate their layers, plants and wildlife, and learn about the people who live there. Children will also consider the impact of deforestation and how we can help protect these important environments for the future.

Class 4 Prophecy and Promise
In Class 4, children will be exploring the important role of women in the story of salvation. They will learn about inspiring women from the Old Testament, including Miriam, Deborah and Esther, and discover how Mary fulfilled God's promises through her 'Yes' to God.
