

### Maths

The children will study the following areas in depth whilst continuing to use our Maths No Problem Scheme:

Multiplication and Division  
Problem Solving

### Art

In Art we will be studying work by the artist Wassily Kandinsky. We will be recreating some of his work and creating some of our own master pieces based on Kandinsky's style.

### English

In English we will be looking at Flashbacks / Timeshifts and debates. We will be using the novel 'Wonder' which is a great stimulus for debates and discussions.

### MFL

The children will look at Buildings in a town and also directions and time.

### Geography

Our Geography unit is to use 4 and 6 figure grid reference on an Ordnance Survey Map. They will consider elements such as tourism, transport, settlements, land use and change over time etc. through the use of maps, images and other sources of geographical information. They will develop Ordnance Survey and digital mapping skills.

## Autumn 2 Cycle B 2020-2021

### Class 4

### Music

The unit Samba with Lancashire Music Service.

### Science

This half-term in Science we will be learning about Light. They will learn how light travels from a source and how the light enters our eyes. They will also look at reflection and shadows.

### Religious Education (RE)

In RE this half tem our topic is Justice. The children will understand what Justice is and know that we are called to work for it. They will learn about fairness and how this involves telling the truth.

### Computing

In Computing the children will be learning about Multimedia. They will follow a unit of work called 'Britten's Got Talent.'

### PE

In PE the children will continue to swim and will have the opportunity to play team and invasion games such as hockey, tag rugby, high 5 netball and football.

### PHSE

The children will continue following the CORAM units supplemented with Ten:Ten.
